SHOP TALK!

Do you miss our Lunch & Learn events?

Well, so do we and with the current situation, communication with you, our referral partners, has never been more important.

That is why we would like to introduce you to **SHOP TALK!**

Please join us on Wednesday mornings at 10:00am starting April 8th for this new webinar series. Where, each week for the month of April and during this time of working from our “home” offices, we will bring you an informative topic with a presentation and an opportunity for Q & A.

Register in advance for this meeting:

After registering, you will receive a confirmation email containing information about joining the meeting. Like the Lunch and Learn events, we hope to provide you with the great information you have come to expect. So, Wednesday morning, grab a cup of coffee and join in!
